**APPROVAL OF STATE ENGINEER**

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. It is understood that the two (2.0) cubic feet of water per second herein granted is only a temporary allowance and that the final water right obtained under this permit will be dependent upon the amount of water actually placed to a beneficial use. A suitable measuring device must be installed and accurate measurements of the water placed to a beneficial use must be included in the proof of such use when filed. The State reserves the right to regulate the use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed Two (2.0) cubic feet per second.

Actual construction work shall begin on or before August 25, 1941

Proof of commencement of work shall be filed before September 25, 1941

Work must be prosecuted with reasonable diligence and be completed on or before August 25, 1943

Proof of completion of work shall be filed before September 25, 1943

Application of water to beneficial use shall be made on or before

August 25, 1944. Proof of the application of water to beneficial

use must be filed with State Engineer on or before September 25, 1944

Map Filed OCI 11 1940

Amended Map filed March 21, 1941 under 10631 WITNESS MY HAND AND SEAL this 6th day

of commencement of work filed SEP 18 1941

of March, 1941

Alfred Mandy Smith  
State Engineer.
